志愿服务专项话术本

Q1 国际信用卡能否在商场 餐厅 便利店直接刷卡

中　文

> **一句话：大一点的店、连锁店、商场里的门店，一般都能刷；街边小店和小摊小贩，基本不行。**

[1] 行不行，看店里的机器认不认这张卡、你的发卡行放不放这笔钱，跟护照国籍没关系；Visa、Mastercard、Amex、JCB 这些大牌子，大店一般都认。

[2] 小店刷不了也别急，同一家商场换家店试试，或者用微信、支付宝绑卡，实在不行付现金。

ENGLISH

Q: Can I use my overseas credit card in shops and restaurants here?

> **One line: Bigger shops, chains and mall stores usually take foreign cards; small street shops and stalls mostly don't.**

[1] What decides it is whether the shop's terminal takes your card and whether your bank approves it — not your passport. The big networks, Visa, Mastercard, Amex and JCB, are usually fine in larger shops.

[2] If a small shop can't take it, try another shop in the same mall, link the card to WeChat Pay or Alipay, or just pay cash.

Q2 微信和支付宝怎样绑定境外银行卡 有什么限制

中　文

> **一句话：能绑，但不是每张卡都能绑，绑上主要是用来付商户。**

[1] 卡本身问题不大，主流卡组织基本都支持，不过预付卡、虚拟卡、企业卡要一张张看；绑好以

后，转账、红包、余额充值这些不会自动开。

[2] 费用上，微信单笔 200 元以内一般免平台费，超过按 3% 收；实名外籍用户公布的上限是单笔 5000 美元、一年 50000 美元，支付宝的费率和额度另算。

ENGLISH

Q: How do I add an overseas bank card to WeChat Pay or Alipay, and what are the limits?

> One line: **You can link one, but not every card works — and it's mainly for paying shops.**

[1] The card itself is usually fine — the main networks are supported — though prepaid, virtual and business cards get checked one by one. Once it's linked, transfers, red packets and top-ups don't switch on by themselves.

[2] Then there's the cost: WeChat payments up to 200 yuan are usually free; above that it's 3%. The published cap is US$5,000 per payment and US$50,000 a year, and Alipay sets its own fees and limits.

Q3 没有中国大陆手机号 能注册和使用微信支付 支付宝吗

中 文

> 一句话：**可以，境外手机号也能注册，大陆号码不是硬性要求。**

[1] 不过有个坎儿通常在短信上：注册码发到你填的号，银行验证码可能发到银行留的另一个号，两个号码最好都能收短信。

[2] 另外，支付能用了，也不代表所有外卖、打车、单车小程序都认这个号，遇到不认的换一种付法就行。

ENGLISH

Q: Can I use WeChat Pay or Alipay without a mainland Chinese phone number?

> **One line: Yes — an overseas number works, and a mainland number isn't required.**

[1] The usual snag is texts: the sign-up code goes to the number you enter, while your bank may text a different number it has on file, so it helps if both can receive SMS.

[2] And even with payments working, not every delivery, ride or bike app will take that number — if one won't, just pay another way.

Q4 正规人民币兑换渠道与 24 小时兑换点在哪里

中 文

> **一句话：有支持境外卡的 ATM 就能取人民币，拿外币现钞去柜台换是另一项业务。**

[1] 取现的话，中行联网 ATM 收境外 UnionPay、Visa、Mastercard、JCB、Amex，但卡得开了取现、机器上得有标识；Amex 还要单独开 Cash Advance 和 ATM 密码。

[2] 换钞的话，机场 T3 一层国际到达有通济隆，08:00 到 22:40；半夜到也不怕，T3 二层国内到达西侧有一台 24 小时的中行 ATM。

ENGLISH

Q: Where can I withdraw yuan or exchange cash, including after hours?

> **One line: With a card your bank allows, you can take yuan from an ATM — changing banknotes at a counter is a separate service.**

[1] For cash, Bank of China's networked ATMs take overseas UnionPay, Visa, Mastercard, JCB and Amex, but the card needs cash access and the machine needs the logo. Amex also needs Cash Advance switched on and an ATM PIN.

[2] For banknotes, Travelex is on T3's first floor at international arrivals, 08:00–22:40. Landing late? There's a 24-hour BOC ATM on T3's second floor, west side of domestic arrivals.

Q5 离境退税条件 流程与可现场退税的商场

中　文

> **一句话：能退，但要几个条件同时满足，缺一个都不行。**

[1] 先说条件：在内地连续待不超过 183 天，同一天同一家退税店买满 200 元，东西没用过，买完 90 天内离境，自己带出去或随行托运。

[2] 再说流程：离境时先让海关验货，再找退税代理点办；13% 增值税退 11%，9% 退 8%，还要扣手续费。深圳万象城、深圳湾万象城、金光华可以即买即退。

ENGLISH

Q: How do tourist shopping tax refunds work, and where can I get an instant refund?

> **One line: Yes, but several conditions have to be met at the same time.**

[1] First the conditions: no more than 183 days in the mainland, at least 200 yuan in the same refund shop on the same day, goods unused, and departure within 90 days, carried out by you or in your checked bags.

[2] Then the process: customs checks the goods at departure, then the refund agent pays out. The refund is 11% on goods taxed at 13%, 8% at 9%, minus a handling fee. Shenzhen MixC, Shenzhen Bay MixC and King Glory Plaza do instant refunds.

Q6 买电子产品 日用品与岭南手信 去哪些商圈

中　文

> **一句话：电子产品去华强北，逛街按区选，别跨区硬凑。**

[1] 华强北那边，华强电子世界、赛格广场、步行街一带最集中；市场摊位和品牌店在保修、发票上不一样，买前问清楚。

[2] 逛街的话，福田有 COCO Park、卓悦中心，罗湖有深圳万象城、金光华，南山有海岸城、深圳湾万象城、万象天地，宝安有壹方城——名字像的往往不是一个地方，打车记得报区。

ENGLISH

Q: Where can I buy electronics, everyday essentials and local gifts?

> **One line: Electronics means Huaqiangbei; for malls, pick your district.**

[1] In Huaqiangbei, Huaqiang Electronics World, SEG Plaza and the pedestrian street are the cluster. Market stalls and brand shops differ on warranty and invoices, so ask before you pay.

[2] For malls: Futian has COCO Park and One Avenue; Luohu has Shenzhen MixC and King Glory Plaza; Nanshan has Coastal City, Shenzhen Bay MixC and MixC World; Bao'an has Uniwalk. Similar names aren't the same place — tell the driver the district.

Q7 境外电子钱包能否直接在深圳消费

中　文

> **一句话：能用，但只限支持的钱包和商户。**

[1] 先分清三样东西：Alipay+ 是受理网络，Alipay、AlipayHK、WeChat Pay HK 是三个不同的钱包，付款码也不是地铁乘车码。

[2] 用之前，确认实名、余额和跨境权限；店员扫你就选“中国内地”或跨境码，你扫店就先核对人民币

金额再确认。

ENGLISH

Q: Can I pay here with an overseas e-wallet I already use?

> **One line: It works, but only with supported wallets and shops.**

[1] First, keep three things apart: Alipay+ is the acceptance network, Alipay, AlipayHK and WeChat Pay HK are three separate wallets, and a payment code isn't a metro code.

[2] Before you pay, check your ID verification, balance and cross-border access. If the shop scans you, pick mainland China or the cross-border code; if you scan the shop, check the yuan amount first.

Q8 商品售后与退换货怎样沟通处理

中　文

> **一句话：实体店没有统一的“七天无理由”，但东西有质量问题，退换修是另一回事。**

[1] 出了问题先留证据：发票、小票、订单、故障照片，再说清你是要退、要换还是要修；顺序是店或平台，再商场客服，再监管投诉。

[2] 投诉可以走全国 12315 平台，深圳市场监管的邮箱是 12315@mail.amr.sz.gov.cn；退款一般退回原付款渠道。

ENGLISH

Q: How do I get a refund, replacement or repair?

> **One line: Not every shop offers seven-day no-reason returns — but a faulty item is a different right.**

[1] When something goes wrong, keep the invoice, receipt, order and photos of the fault, and say

whether you want a refund, replacement or repair. Go shop or platform first, then mall service, then the regulator.

[2] You can file through the national 12315 platform, or email Shenzhen's market regulator at 12315@mail.amr.sz.gov.cn. Refunds usually go back to how you paid.

Q9 深圳地铁怎样购票 境外卡与境外乘车码能否进站

中 文

> **一句话：拿有闪付功能的境外实体卡，直接拍闸机就能进站。**

[1] 全线网闸机支持银联、Visa、Mastercard、Amex、JCB，但卡要开小额免密；进出站得用同一张，实体卡和手机里的虚拟卡别混着用。

[2] 另外，商店付款码、八达通码都不是地铁码；末班车按站和方向查，没有全线统一时间。

ENGLISH

Q: How do I pay for the metro? Can I tap an overseas card or use my wallet's QR code?

> **One line: Tap a contactless foreign bank card straight on the gate.**

[1] Gates across the network take UnionPay, Visa, Mastercard, Amex and JCB, but the card needs small-payment no-PIN on. Use the same card in and out, and don't mix the plastic with the one in your phone.

[2] A shop code or an Octopus code isn't a metro code, either. And last trains depend on the station and direction — there's no single citywide time.

Q10 宝安机场到市中心和商圈 交通时间与费用怎么比较

中　文

一句话：T3 到的是机场站，不是机场东站，按目的地选线路。

[1] 去福田坐 11 号线换乘，约 45 到 70 分钟、8 到 12 元；打车 45 到 80 分钟、100 到 160 元。去南山后海 35 到 60 分钟、6 到 10 元。

[2] 去罗湖 70 到 95 分钟、9 到 13 元；宝安中心 30 到 50 分钟、4 到 8 元。回程注意，往红岭南的末班车到次日 00:02，时刻还会调。

ENGLISH

Q: How long does it take to get from the airport to the main shopping areas, and what does it cost?

One line: T3 connects to Airport station, not Airport East — pick your line by destination.

[1] Futian is about 45 to 70 minutes and 8 to 12 yuan on Line 11 with a change; a car is 45 to 80 minutes, 100 to 160. Houhai in Nanshan is 35 to 60 minutes, 6 to 10 yuan.

[2] Luohu is 70 to 95 minutes, 9 to 13 yuan; Bao'an Centre 30 to 50 minutes, 4 to 8 yuan. For the way back, the last train toward Hongling South is 00:02, and times change.

Q11 出租车和网约车怎样叫 能用现金吗

中　文

一句话：出租车收现金，网约车用中国版滴滴。

[1] 坐出租车，扫码要看司机开通了什么，不是每辆车都能刷外卡；起步价 10 元 2 公里，之后按里程、候时和夜间加价。

[2] 叫网约车，用 DiDi China，苹果 ID 554499054；现金只在平台和订单允许时能用。机场的出租车和网约车都 24 小时。

ENGLISH

Q: How do I get a taxi or a ride, and can I pay cash?

> **One line: Taxis take cash; for ride-hailing, use the China DiDi.**

[1] In a taxi, QR payment depends on the driver and not every cab takes a foreign card. The meter starts at 10 yuan for 2 km, then distance, waiting and night rates.

[2] For ride-hailing, use DiDi China, App Store ID 554499054. Cash only works when the app and the order allow it, and airport taxis and rides run 24 hours.

Q12 深圳通怎么买 充值 退卡 用在哪里

中 文

> **一句话：深圳通在客服中心或授权点买，押金 20 元，余额另充。**

[1] 买了以后，公交、地铁、有轨电车都能坐；地铁一人一卡，同一张进出，实体卡不用装 App。

[2] 退卡的话，要求最近一次充值后有 3 笔公交消费；余额超 300 元要去客服中心，退款 1000 元以上提前 5 个工作日预约。

ENGLISH

Q: Where do I buy a Shenzhen Tong card, and how do top-ups and refunds work?

> **One line: Buy Shenzhen Tong at a service centre or authorised outlet — 20 yuan deposit plus credit.**

[1] Once you have it, it works on buses, metro and trams. On the metro, one card per person and the same card in and out; the physical card needs no app.

[2] For a refund you need three transit trips after your last top-up. Balances over 300 yuan go through a service centre, and refunds of 1,000 yuan or more need five working days' notice.

Q13 去香港 广州怎样选高铁 大巴与通关路线

中 文

> **一句话：去香港坐高铁到西九龙，去广州先看清是南站还是东站。**

[1] 去香港，福田或深圳北到西九龙，车上 15 到 30 分钟，不含候车和通关；注意福田高铁站不是福田口岸。

[2] 去广州，深圳北到广州南 30 到 60 分钟，深圳站到广州东 1 到 1.5 小时；买票用 12306 的英文网站或 App，外国护照可以注册。

ENGLISH

Q: What are the train and bus options for Hong Kong or Guangzhou?

> **One line: Hong Kong means high-speed rail to West Kowloon; for Guangzhou, check South or East.**

[1] For Hong Kong, Futian or Shenzhen North to West Kowloon is 15 to 30 minutes on board, not counting waiting and border checks. Note that Futian rail station isn't Futian crossing.

[2] For Guangzhou, Shenzhen North to Guangzhou South is 30 to 60 minutes, and Shenzhen station to Guangzhou East is 1 to 1.5 hours. Book on the 12306 English site or app — foreign passports can register.

Q14 主要口岸开放时间 通关流程与证件

中 文

> **一句话：陆路口岸大多 06:30 开门，皇岗 24 小时。**

[1] 具体时间：罗湖 06:30 到 24:00，福田 06:30 到 22:30，深圳湾 06:30 到 24:00，皇岗全天；西九龙高铁口岸 06:30 到 23:30。

[2] 过关带护照和有效签证或居留证件；外国护照不自动走快捷通道，口岸开着也不代表接驳还在跑。

ENGLISH

Q: When do the border crossings open, and what do I need to cross?

> **One line: Most land crossings open at 06:30; Huanggang runs 24 hours.**

[1] The times: Luohu 06:30–24:00, Futian 06:30–22:30, Shenzhen Bay 06:30–24:00, Huanggang around the clock. West Kowloon rail crossing is 06:30–23:30.

[2] Bring your passport and a valid visa or residence permit. A foreign passport doesn't get you an e-channel automatically, and an open crossing doesn't mean transport is still running.

Q15 公交怎样乘坐 有外文提示与扫码吗

中 文

> **一句话：前门上、后门下，上车刷卡或扫码。**

[1] 票价上，有的线路按段收费，不是都两块；深圳通、乘车码、银联卡都能用，普通付款码不行，现金一般不给找零。

[2] 等车的时候，同名的站可能在马路两边，先看方向再等；英文报站不是每辆车都有，盯着地图和到站提醒更稳。

ENGLISH

Q: How do I take a bus? Are there English announcements and QR payments?

One line: Front door on, back door off — tap or scan when you board.

[1] Fares vary — some routes charge by distance, so it isn't always two yuan. Shenzhen Tong, transit codes and UnionPay cards work; a shop payment code doesn't, and cash usually gets no change.

[2] While you wait, the same stop name can sit on opposite sides of the road, so check the direction first. English announcements aren't on every bus — the map and arrival display are more reliable.

Q16 共享单车与共享电车怎样使用

中 文

一句话：共享单车能用，但要平台认你的实名和支付方式。

[1] 单车的话，外国护照、境外卡支不支持由平台定；骑车法定 12 岁起，平台可能要求更高。

[2] 电单车的话，我没确认到全市统一、对外国游客普遍开放的服务；共享汽车则要内地有效驾照。

ENGLISH

Q: How do shared bikes and electric-bike rentals work here?

One line: Shared bikes work, if the platform accepts your ID and payment.

[1] For bikes, whether foreign passports and overseas cards work is up to each platform; the legal cycling age is 12, and a platform can set it higher.

[2] For e-bikes, I can't confirm a citywide service open to foreign visitors, and car-sharing needs a mainland driving qualification.

Q17 跨城市及港澳出行 行李与换乘注意什么

中　文

> **一句话：跨境高铁的行李规则跟飞机不一样，别按机票的额度想。**

[1] 先说行李：港铁规定成人 20 公斤、儿童 10 公斤，每件长宽高合计不超过 130 厘米；液体、刀具、充电宝过安检也有要求。

[2] 再说证件：香港、澳门、内地分别审入境资格；用过的单次签证不保证能再进来，240 小时过境也不是多次往返。

ENGLISH

Q: What should I know about luggage and connections when travelling to another city, Hong Kong or Macau?

> **One line: Cross-border rail has its own baggage rules, not the airline ones.**

[1] First, luggage: MTR allows 20 kg for adults and 10 kg for children, each bag up to 130 cm in total length, width and height; liquids, knives and power banks go through rail security.

[2] Then documents: Hong Kong, Macau and the mainland assess entry separately. A used single-entry visa doesn't guarantee re-entry, and 240-hour transit isn't a multiple-entry pass.

Q18 节假日与高峰堵在哪里 怎样避开

中　文

> **一句话：工作日早晚高峰最堵，节假日堵在滨海大道、深圳湾、东部沿海和口岸周边。**

[1] 出门前，先看地图实时路况和深圳交通的当期公告；口岸排队看 iPort。

[2] 路上，地铁不受堵车影响，但换乘和排队也要时间；打车看供给，热门区域可能限行或要预约停车。

ENGLISH

Q: Where does traffic get busy, and what changes during holidays?

> **One line: Weekday rush hours are worst; holidays clog Binhai Boulevard, Shenzhen Bay, the east coast and around the crossings.**

[1] Before you go, check live traffic and Shenzhen Transport's current notices; for border queues, check iPort.

[2] On the way, the metro isn't stuck in traffic, but changes and queues still take time. Taxis depend on supply, and popular areas may restrict cars or require parking bookings.

Q19 地标与自然景区怎么选 怎样预约

中 文

> **一句话：市区看市民中心、莲花山、深圳湾；主题公园和自然景区各有各的票。**

[1] 公园大多免费，普通市政公园步行进去不要钱；仙湖植物园成人票 15 元，在官方公众号买。

[2] 要预约的，用护照得跟原件一致，小程序收不收外国护照看系统；深圳博物馆各馆区的规则也不一样。

ENGLISH

Q: What landmarks and outdoor places are there, and do I need to book?

> **One line: City views are Civic Center, Lianhua Hill and Shenzhen Bay; theme parks and nature sites ticket separately.**

[1] Parks are mostly free — walking into an ordinary municipal park costs nothing — and Fairy Lake Botanical Garden is 15 yuan for adults through its official WeChat account.

[2] Where booking is needed, passport details must match the original, and whether a mini

program accepts foreign passports depends on its system. Shenzhen Museum branches also book differently.

Q20 粤菜 早茶 清真与素食有哪些可选门店

中 文

> **一句话：都有线索，但别当成保证，去之前先确认还开着。**

[1] 吃早茶可以问陶陶居、点都德，粤菜海鲜可以问圣丰城、79 号渔船；茶位费、服务费、海鲜加工费看店规。

[2] 清真可以问深圳穆斯林宾馆餐厅，但营业和清真管理要现场确认；素食可以问云来居——记住，不放猪肉不等于清真。

ENGLISH

Q: Where can I find Cantonese food, dim sum, halal food or vegetarian meals?

> **One line: There are leads, not guarantees — check they're still open before you go.**

[1] For dim sum, ask about Tao Tao Ju or Diandude; for Cantonese and seafood, Shengfengcheng or No. 79 Fishing Boat. Tea charges, service fees and seafood preparation are per restaurant.

[2] For halal, ask about the Shenzhen Muslim Hotel restaurant, but confirm it's open and how it's run; for vegetarian, try Yunlaiju. And no pork doesn't mean halal.

Q21 夜游与夜景去哪里

中 文

> **一句话：后海、蛇口、福田、宝安都有夜景，公园一般开到 23:00。**

[1] 看天际线去人才公园和深圳湾海滨；想边吃边逛去海上世界的明华轮；福田是市民中心、卓悦中心，宝安是欢乐港湾和摩天轮。

[2] 不过，灯光秀、音乐喷泉是单独项目，可能只在某些日子有；公园开着，不代表那晚有表演。

ENGLISH

Q: Where can I go for night views?

> One line: **Houhai, Shekou, Futian and Bao'an all have night views; parks usually close at 23:00.**

[1] For the skyline, go to Talent Park and the Shenzhen Bay waterfront; for food and a stroll, the Minghua ship at Sea World; in Futian, Civic Center and One Avenue; in Bao'an, OH Bay and the Ferris wheel.

[2] Light shows and fountains are separate programmes that may run only on certain nights — an open park doesn't mean there's a show.

Q22 免费城市公园 海滨栈道与休闲步道有哪些

中 文

> 一句话： **深圳湾、人才公园、莲花山、笔架山、荔枝公园、园博园、大沙河都免费。**

[1] 免费的是常规公共区域，停车、展览、游船另收费；深圳湾和人才公园 06:00 到 23:00。

[2] 盐田海滨栈道分段开放，施工或风浪可能封一段；至于园里能不能骑车，另看规定。

ENGLISH

Q: Which parks and waterfront walks are free?

> One line: **Shenzhen Bay, Talent Park, Lianhua Hill, Bijia Mountain, Lizhi Park, the Garden Expo Park and the Dasha River are free.**

[1] Free covers the ordinary public areas; parking, exhibitions and boat rides cost extra. Shenzhen Bay and Talent Park are open 06:00–23:00.

[2] Yantian's coastal boardwalk opens in sections and can close for works or rough seas, and whether you can cycle inside is a separate rule.

Q23 书法 茶艺 非遗与节庆去哪里体验

中 文

> **一句话：博物馆、茶文化、非遗工坊、文化馆都有活动，但不是天天有课。**

[1] 想看展，深圳博物馆有地方文化展，福田大观茶具博物馆看茶具，光明小隐基地有传统工艺体验。

[2] 想报课，先问清能不能用护照、什么语言、多少钱、能不能取消——英文展签不等于英文授课。

ENGLISH

Q: Where can I try calligraphy, tea culture or traditional crafts?

> **One line: Museums, tea houses, heritage workshops and cultural centres all run things — but not classes every day.**

[1] For exhibitions, Shenzhen Museum has local-culture displays, the Daguan Tea Ware Museum in Futian covers tea ware, and the Xiaoyin base in Guangming runs craft experiences.

[2] For a class, ask about passport registration, the teaching language, the fee and cancellation — English labels don't mean the class is in English.

Q24 半日游与一日游怎样排

中　文

一句话：按区串，别跨区硬凑。

[1] 福田半日：市民中心、深圳博物馆、莲花山、卓悦中心，约 4 小时。

[2] 南山半日：海岸城或深圳湾万象城、人才公园、深圳湾海滨，约 4 到 5 小时；想玩一整天，可以华强北加后海、海上世界，8 到 10 小时。

ENGLISH

Q: What could a half-day or full-day outing look like?

One line: Build it by district; don't zig-zag across the city.

[1] Futian half-day: Civic Center, Shenzhen Museum, Lianhua Hill and One Avenue — about four hours.

[2] Nanshan half-day: Coastal City or Shenzhen Bay MixC, Talent Park and the waterfront — four to five hours. For a full day, add Huaqiangbei, Houhai and Sea World — eight to ten hours.

Q25 中国内地 SIM 卡怎么买 证件 资费与有效期

中　文

一句话：去移动、联通、电信的自营厅，机场服务台也能办。

[1] 带护照原件和手机，柜台可能问入境信息或联系地址；普通零售点不一定能办。

[2] 办的时候问清楚：有没有 +86 号码、含多少流量、有效期多久、会不会自动续费——月租卡离境不会自动停。

ENGLISH

Q: How do I get a mainland SIM card, and what should I know about the plan?

> **One line: Go to a China Mobile, Unicom or Telecom shop — or the airport service counter.**

[1] Bring your passport and phone; the counter may ask about your entry details or an address, and ordinary retail shops may not handle it.

[2] Ask whether it gives a +86 number, how much data, how long it lasts and whether it auto-renews — a monthly card doesn't stop charging when you leave.

Q26 免费公共 Wi-Fi 怎样连接 安全上注意什么

中 文

> **一句话：连场所公布的网络名，按它的方式验证。**

[1] 机场、商场、酒店规则各家定，常见短信或证件验证，不是都收境外号码。

[2] 另外，名字很像的网络可能是假的；正常认证不会要银行卡密码、ATM 密码，也不会让你转账。

ENGLISH

Q: How do I connect to free Wi-Fi, and what should I watch out for?

> **One line: Join the network the venue publishes and complete its check.**

[1] Airports, malls and hotels set their own rules — usually a text code or ID, and not all take overseas numbers.

[2] A look-alike network can be fake. A normal login never asks for your bank password, ATM PIN or a transfer.

Q27 免费翻译工具怎么选与使用

中　文

> **一句话：微信自带翻译、支付宝翻译入口、微软翻译都能用。**

[1] 微信里长按消息就有 Translate，拍照翻译看扫一扫的版本；支付宝的入口位置会变，微软翻译单独装一个也能用。

[2] 但别全信机器：把地址、忌口、常用句截图存下来，离线也能看；医疗、法律、出入境这些，最好找人工或官方窗口。

ENGLISH

Q: What free translation tools can I use here?

> **One line: WeChat's built-in translation, Alipay's tool and Microsoft Translator all work.**

[1] In WeChat, long-press a message for Translate; photo translation depends on your Scan version. Alipay moves its entry around, and Microsoft Translator is a separate app.

[2] Don't trust it blindly: save screenshots of your address, dietary needs and key phrases for offline use, and for medical, legal or immigration matters, get a person or an official counter.

Q28 电压 插座与境外电器注意什么

中　文

> **一句话：内地是 220V、50Hz，插头常见两扁脚和三扁脚。**

[1] 看电器标签：写 100–240V 就能用，只写 110V 或 120V 的不行；转换插头只换形状，不变电压。

[2] 大功率的吹风机、电水壶，还要看转换器容量；插排别接插排，容易过载。

ENGLISH

Q: Will my chargers and electrical appliances work here?

> **One line: Mainland power is 220V, 50Hz, with two flat pins or a grounded three-flat-pin socket.**

[1] Check the label: 100–240V works, 110V or 120V only doesn't. An adapter changes the shape, not the voltage.

[2] Hairdryers and kettles also need a converter with enough capacity, and don't daisy-chain power strips.

Q29 公共饮水点与免费卫生间怎样找

中 文

> **一句话：公厕一般免费，饮水要找标了“直饮水”的机器。**

[1] 找厕所，高德搜“公共厕所”，或者看城管公厕地图；商场、地铁里的厕所有时在付费区。

[2] 找水，只认标了直饮水、可饮用的机器；厕所水龙头、景观水不能喝，找不到就买瓶装水。

ENGLISH

Q: Where can I find free toilets and drinking water?

> **One line: Public toilets are usually free; for water, look for a dispenser marked drinking water.**

[1] For toilets, search “公共厕所” on AMap or use the city toilet map — ones in malls or metro stations can sit inside a paid area.

[2] For water, only use a dispenser marked drinking water. Tap water and decorative water aren't for drinking, and bottled water is the fallback.

Q30 气候 近期天气与穿衣防护怎么安排

中　文

一句话：深圳夏天长又湿，秋天可能还热，冬天温和。

[1] 夏半年常有暴雨、雷暴和台风，出门前看深圳气象局的预警，各片区天气还不一样。

[2] 今天预报 26 到 31 度、多云转晴，但以当天预警为准；热就穿轻薄透气，室内空调冷就加一层，台风天别去海边和山上。

ENGLISH

Q: What's the weather like, and what does that mean for clothes and outdoor plans?

One line: Long, humid summers, a warm autumn and a mild winter.

[1] The warmer half of the year brings heavy rain, thunderstorms and typhoons, so check the weather bureau's warnings before you go out — conditions differ by district.

[2] Today's forecast is 26 to 31 and cloudy turning clear, but the day's warning counts more. Light, breathable clothes when it's hot, an extra layer for cold air-conditioning, and stay off the coast and hills during a typhoon.

Q31 110 120 119 能说英语吗 紧急求助怎么做

中　文

一句话：报警 110，急救 120，火警 119，直接拨，不加区号。

[1] 打通以后先说地址或地标、几个人、有没有意识和呼吸、有没有火或烟，再留一个能回拨的号码。

[2] 深圳 110 有多语种翻译，120、119 不保证马上有英文接线员；非紧急的移民问题打 +86 755 12367。

ENGLISH

Q: Who do I call in an emergency, and can I speak English?

> **One line: Police 110, ambulance 120, fire 119 — dial them directly, no area code.**

[1] Once you're through, give the address or a clear landmark, how many people, whether they're conscious and breathing, any fire or smoke, and a callback number.

[2] Shenzhen 110 has multilingual interpretation; 120 and 119 can't promise an English speaker straight away. For non-emergency immigration questions, call +86 755 12367.

Q32 240 小时过境免签适用哪些国家 怎样用 有什么限制

中 文

> **一句话：它是“过境”，不是普通免签，条件比免签多。**

[1] 硬条件：57 个国家、24 个省份、65 个口岸，护照有效期不少于 3 个月，还要有日期确定的后续机票。

[2] 路线：必须是 A 国、内地、不同的 B 国或地区，香港—深圳—香港不算；深圳机场、蛇口、西九龙可以办，罗湖、福田、深圳湾不一定。

ENGLISH

Q: Who qualifies for the 240-hour visa-free transit scheme, and what are its limits?

> **One line: It's transit permission, not ordinary visa-free entry — and it has more conditions.**

[1] The basics: 57 countries, 24 provinces, 65 ports, a passport valid for at least three months and a confirmed onward ticket.

[2] The route: country A, mainland, then a different B. Hong Kong–Shenzhen–Hong Kong

doesn't count. Shenzhen airport, Shekou and West Kowloon can handle it; Luohu, Futian and Shenzhen Bay may not.

Q33 退税自助机与离境办理点在哪里 怎样操作

中　文

> **一句话：机场和罗湖有退税自助机，但要先过海关验货。**

[1] 机场的退税点从 2026 年 8 月 10 日起，人工加自助 24 小时；罗湖的在离境退税大厅。

[2] 带物品、护照、申请单和发票，海关验完再去机器扫证件、核对金额——自助机不免海关验核。

ENGLISH

Q: Where are the departure tax-refund machines, and how do I use them?

> **One line: The airport and Luohu have refund machines, but customs checks the goods first.**

[1] At the airport the refund desk has been staffed plus self-service 24/7 since 10 August 2026; Luohu's machines are in the departure refund hall.

[2] Bring the goods, passport, application and invoice. After customs checks them, scan your documents at the machine and confirm the amount — self-service doesn't skip customs.

Q34 机场与口岸有一站式外籍服务中心吗 能办什么

中　文

> **一句话：有，机场 T3 一层国际到达出口东侧就是境外来宾服务中心。**

[1] 到了先问这里：支付和绑卡、ATM 和兑换点、交通和旅游、SIM 卡、深圳通，都能给指路。

[2] 但移民咨询不等于入境批准，工作许可、居留和银行开户也办不了。

ENGLISH

Q: Is there a one-stop visitor centre at the airport or border, and what can it do?

> **One line: Yes — on T3's first floor, east of the international arrivals exit.**

[1] Ask there first: payments and linking cards, ATMs and exchange, transport and tourism, SIM cards and Shenzhen Tong.

[2] But immigration advice isn't entry approval, and they can't do work permits, residence papers or bank accounts.

Q35 入境后备查哪些材料 护照等遗失如何处理

中 文

> **一句话：护照、签证、入境记录、住宿登记都留一份，丢了按顺序补。**

[1] 先记住宿：住酒店由酒店登记；住私人住宅或租房，24 小时内要办住宿登记。

[2] 万一护照丢了：先报警，再向深圳出入境申请报失证明，然后找本国使领馆补护照，最后回出入境办签证和离境手续。

ENGLISH

Q: What documents should I keep, and what happens if I lose my passport?

> **One line: Keep your passport, visa, entry record and accommodation registration — and know the order if the passport goes missing.**

[1] First, the registration: hotels do it for you, and in a private home or rental you or your host must register within 24 hours.

[2] If the passport is lost: report to the police, get a passport-loss certificate from Shenzhen immigration, replace the passport at your embassy, then settle the visa and exit paperwork

with immigration.

Q36 能收发国际快递与寄存大件行李吗

中　文

> **一句话：快递走顺丰国际、EMS、DHL、FedEx，行李可以寄存。**

[1] 寄件要护照实名，写清双方地址、物品和价值；食品、药品、电池、液体有专门限制，目的国海关也要看。

[2] 行李方面，机场寄存点在 T3 四层出发大厅 1 号门、A 岛尾，24 小时；酒店一般也给住客暂存。

ENGLISH

Q: Can I send international parcels or store large bags here?

> **One line: Use SF International, EMS, DHL or FedEx for parcels; luggage storage is available.**

[1] Sending needs passport ID, both addresses, the contents and the value. Food, medicine, batteries and liquids have restrictions, and the destination's customs applies too.

[2] For bags, airport storage is by door 1 in T3's fourth-floor departure hall, at the end of Island A, 24 hours, and hotels usually hold bags for guests.

Q37 短期停留有哪些禁止行为 公共礼仪与参观禁忌

中　文

> **一句话：按签证允许的范围待着，别逾期，别非法工作。**

[1] 先说义务：住宿登记是法定义务；工作、学习要批准，旅游和商务是另一套条件。

[2] 再说公共场合：禁烟也包括电子烟，拍别人近景、拍证件、进限制区要注意，无人机要实名登记和空域许可。

ENGLISH

Q: What rules and local etiquette should I know during a short stay?

> **One line: Stay within your visa — no overstaying, no working without permission.**

[1] First, the obligations: accommodation registration is a legal duty, work and study need approval, and tourism and business visits are different.

[2] Then, in public: smoking rules cover e-cigarettes, be careful with close-up photos of people or IDs and with restricted areas, and drones need registration and airspace clearance.

常用电话 / Key numbers

- 报警 **110** | 急救 **120** | 火警 **119**　Police 110 · Ambulance 120 · Fire 119
- 移民与签证咨询 **+86 755 12367**　Immigration and visa enquiries
- 消费投诉 **12315** | 政务咨询 **12345**　Consumer complaints 12315 · Government 12345
- 机场问询 **+86 755 23456789**　Airport enquiries
- 微信支付 **+86 571 95017** | 支付宝英文客服 **+86 571 26886000**　WeChat Pay · Alipay (English)

现场三句话 / Three lines to keep handy

- **“Sorry, could you say that again?”**　没听清就请对方再说一遍，别硬猜。
- **“I'll check and get back to you.”**　拿不准就说这句，问完再答，别编。
- **“Could you type it here?”**　语言不通就打开翻译，让对方把话打出来。
